

The Health Network of Choice Serving Los Angeles and Orange Counties

AltaMed Health Network, Inc. (AHN) provides a comprehensive patient care approach through its affiliation with AltaMed Health Services, OmniCare Medical Group, and Altura Management Services Organization. Together, we are committed to delivering excellence in patient outcomes through our array of services, ensuring that each individual receives the highest quality care possible.

As a fully licensed Knox-Keene restricted health plan, AHN offers comprehensive managed healthcare services. We prioritize providing uncompromising access to high-quality care through our extensive network of providers, strategically located in areas most convenient for our members.
